

The post-pitch review

Compare the original thesis with the paper position and record what the team learned.

SAMPLE EDUCATIONAL MATERIAL - NOT A PUBLISHED CLUB REPORT

Original thesis

Summarize the thesis, expected catalysts, risks, and initial valuation.

Performance attribution

Separate market movement from company-specific developments and explain position sizing.

Lessons learned

Identify which assumptions held and which need revision.

Record status

This is an educational template. No club trade or performance record is claimed.

Educational framework. Virtual capital. Not investment advice.
